Dear Joe,

Re: East Timor

In preparation for the forthcoming meeting of the United Nations Human Rights Commission I would like to confirm that the Canadian delegation will be sponsoring and/or supporting a resolution on East Timor.

This can be accomplished under Item 13 of the Commission's agenda:

> "question of the violation of human rights and fundamental freedoms in any part of the world, with particular reference to colonial and other dependent countries and territories."

and would be the logical extension of the resolution adopted by the Human Rights Sub-Commission on East Timor last August in Geneva.

Please let me hear from you in a form which might be shared with Canadians interested in East Timor, including Canadian parliamentarians. Thank you.

Best regards,
Sincerely,

DK/bcg
